

Actividad 1

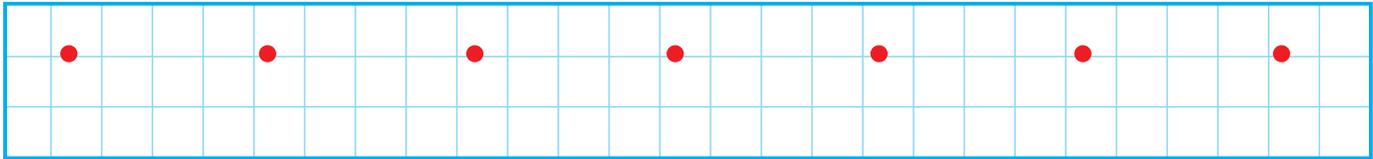

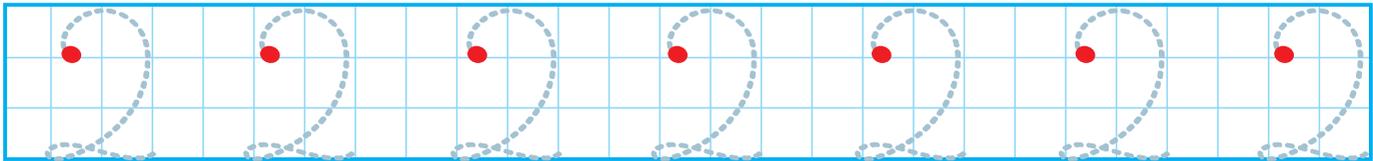

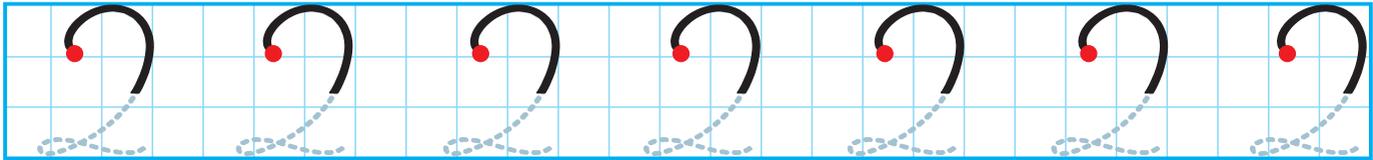

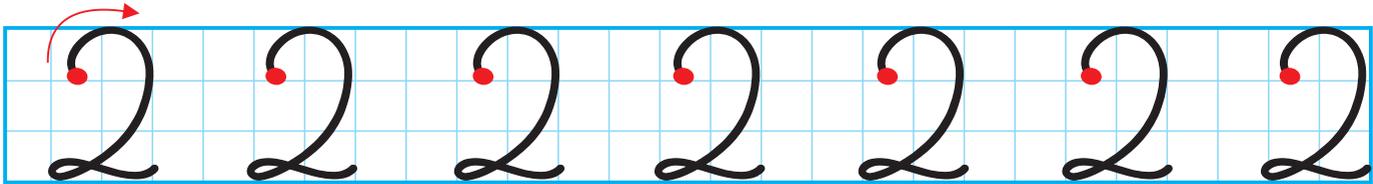

Repisa, completa y escribe el número de acuerdo con la instrucción.

Actividad 2

Repisa, completa y escribe el número de acuerdo con la instrucción.

Actividad 3

Repisa, completa y escribe el número de acuerdo con la instrucción.

Actividad 4

Repisa, completa y escribe el número de acuerdo con la instrucción.

Handwriting practice grid for the number 4. The grid consists of four rows of ten columns each, all within a blue border. Each column has a red dot at the top left corner, indicating the starting point for writing the number 4.

- Row 1: Shows the number 4 written in solid black. The first '4' includes red arrows indicating the stroke order: a vertical line down, followed by a horizontal line to the right.
- Row 2: Shows the number 4 written in dashed lines for tracing. The first '4' includes red arrows indicating the stroke order.
- Row 3: Shows the number 4 written in dashed lines for tracing. The first '4' includes red arrows indicating the stroke order.
- Row 4: Shows a blank grid with red dots at the top left of each column, intended for independent practice.

Actividad 5

Repisa, completa y escribe el número de acuerdo con la instrucción.

Handwriting practice grid for the number 5. The grid consists of four rows of nine boxes each, all within a blue border. The first row contains solid black numbers '5'. The second row contains dashed numbers '5' for tracing. The third row contains dashed numbers '5' for tracing. The fourth row contains red dots on the top line of the grid, serving as starting points for writing the number '5'. A red arrow on the top left indicates the stroke direction for the number 5: a vertical line down, followed by a curved line from the top to the middle of the vertical line.

Actividad 6

Repisa, completa y escribe el número de acuerdo con la instrucción.
