

Actividad 3

Cuenta y escribe el resultado, luego de reunir los puntos de cada dado.

$$\begin{matrix} \text{Red die (6)} & + & \text{Green die (5)} & + & \text{Blue die (3)} & + & \text{Yellow die (4)} & = & \boxed{} \end{matrix}$$

$$\begin{matrix} \text{Yellow die (4)} & + & \text{Blue die (3)} & + & \text{Green die (5)} & + & \text{Red die (6)} & = & \boxed{} \end{matrix}$$

Actividad 4

Cuenta, suma y da el resultado.

$$\begin{matrix} \text{Blue die (3)} & + & \text{Red die (2)} & + & \text{Green die (1)} & + & \text{Yellow die (6)} & = & \text{Purple box} \end{matrix}$$

$$\begin{matrix} \text{Blue box} & + & \text{Red box} & + & \text{Green box} & + & \text{Yellow box} & = & \text{Blue box} \end{matrix}$$

$$\begin{matrix} \text{Yellow die (6)} & + & \text{Green die (4)} & + & \text{Red die (5)} & + & \text{Blue die (4)} & = & \text{Purple box} \end{matrix}$$

$$\begin{matrix} \text{Blue box} & + & \text{Red box} & + & \text{Green box} & + & \text{Yellow box} & = & \text{Blue box} \end{matrix}$$

Actividad 5

Cuenta y dibuja lo que hace falta para completar la suma.

Diagram illustrating a math problem:

Star shape (empty) + Star shape (3 trees) = Star shape (5 trees) + Elephant

Below the empty star is a box for the answer. Below the star with 3 trees is a box containing the number 3. Below the star with 5 trees is a box containing the number 5.

Diagram illustrating a math problem:

Star shape (empty) + Star shape (4 flowers) = Star shape (8 flowers) + Bee

Below the empty star is a box for the answer. Below the star with 4 flowers is a box for the answer. Below the star with 8 flowers is a box for the answer.

Actividad 6

Cuenta y dibuja lo que hace falta para completar la suma.

3 ice cream cones + = 5 ice cream cones

3 pencils + = 5 pencils

Actividad 7

Cuenta y dibuja lo que hace falta para completar la suma.

+ =

+ =
